Message

There are fascinating stories that connect the different sites on the island. I want to share those stories from a local's point of view through fun and engaging tours. Let's get to know Izu Oshima by exploring the island together!

Message

There are so many beautiful spots in Oshima. You can feel the Earth through the tour and discover the history of Oshima. I hope to help your memorable trip. If you have any places you want to visit, please feel free to ask me. I can arrange original tours as well.

RYO KANDA
